Join us for an Illustration program at

[INSERT YOUR SCHOOL'S NAME]

run by an artist and experienced instructor.

Explore cartoon styles and your own imagination as you build characters and learn to tell stories visually.

Learn different cartoon styles – everything from traditional Fleischer cartoons to Japanese Manga and Chibi. We'll teach you the techniques – and you'll use them to create characters and worlds of your own.

Have fun with cartoon creation...

we'll supply the materials, and you'll end up with cartoon strips and illustrations to share in an exhibition on the final day.

When?

After school. You choose the time, the day of the week and the length of the program.

Where?

We come to your school. There's no need for the students to travel anywhere.

Who?

Centauri Arts works with creative professionals all over the GTA. We have been offering arts programs in schools – and in our camps – for 28 years. All our instructors have VSS checks and extensive teaching experience.

Cost

This depends on the number of weeks – but the fee is around \$25 per student, per week (so, \$200 for an 8 week illustration course, ending in an exhibition of student work). Apply directly through your school.

This program can be adapted for students in grades 4-8, and we are happy to combine grades, too.
