Join us for a Creative Writing program at

[INSERT YOUR SCHOOL'S NAME]

run by a published writer.

Explore fun writing prompts and contribute to a literary e-magazine to be published at the end of the course.

In this fast-paced program, you'll experiment with fantasy, science fiction, flash fiction and poetry as you learn to create fascinating characters and tell their stories.

Week by week, you'll assemble material to submit to your literary e-magazine, which you will edit together, ready for its launch in the final week. Have fun with creative writing, explore a wealth of techniques... and create a literary e-magazine, which can be circulated throughout your school community.

When?

After school. You choose the time, the day of the week and the length of the program.

Where?

We come to your school. There's no need for the students to travel anywhere.

Who?

Centauri Arts works with creative professionals all over the GTA. We have been offering arts programs in schools – and in our camps – for 28 years. All our instructors have VSS checks and extensive teaching experience.

Cost

This depends on the number of weeks – but the fee is around \$25 per student, per week (so, \$200 for an 8 week writing course, ending in an exhibition of student work). Apply directly through your school.

This program can be offered to all students in grades 7-12
