

Centauri Arts Academy – Policies During COVID-19

These policies will always be superseded by any requirements put forward by Public Health during the pandemic. We will notify participants of any such changes as they occur, but our general policies are as follows:

1. The arts academy space will be sanitised between all classes. This will include all desk surfaces.
2. The bathroom will be sanitised by the instructor after each day.
3. Hand Sanitizer will be made available for all students, and everyone will be asked to use sanitizer on arrival in the studio.
4. Do not attend class if you or anyone in your household has a cough, or a fever. Centauri instructors will admit students at their discretion, and will be asked not to allow entry to any students who appear symptomatic.
5. Unfortunately, our tea/juice and cookies will not be available during the pandemic. Students are welcome to bring along a drink and snack of their own, should they wish to do so.
6. In-studio course participants will be required to socially distance during classes if mandated by public health. Assigned seating areas and floor markings will assist with this.
7. Masks must be worn during classes if mandated by Public Health
